PRE-INVESTIGATION QUESTIONNAIRE

READ THE FOLLOWING INSTRUCTIONS CAREFULLY

Complete this form in **BLACK INK ONLY.**

NO QUESTION MAY BE LEFT UNANSWERED. All "YES" answers must be circled. You will need to write a short narrative to fully explain each "YES" answer. In your narrative, answer the relevant questions of who, what, when, where, when, why, how, how often, etc. as each question requires.

All information is subject to verification by use of the polygraph, and a comprehensive background investigation. Deliberate inaccuracies, incomplete statements, minimization's, rationalizations, omissions and/or misstatements may result in your disqualification from the selection process or termination from employment if hired.

Any negative factor in your background will be evaluated in terms of circumstances, facts surrounding the occurrence, and its degree of relevance to the job. The Bosque Farms Police Department is looking for mature, honest people who can admit their mistakes, and discuss those mistakes honestly. For example, being fired from a job, or having an arrest record is not, in itself, grounds for disqualification in many cases. During your interview, your background investigator will inquire into the facts surrounding the event. An evaluation will be made of the relevance of the facts to the requirements and guidelines of the job. A negative factor in your background may not terminate you from the application process, however, being dishonest about that negative factor will. If you feel some event in your background is directly or indirectly related to your application, even though it is not specifically listed, disclose it.

Recruiting of all candidates is done without regard to race, color, national origin, ancestry, sex, age, religion, or disability, in the provision of services, programs or activities. Bosque Farms is an Equal Opportunity/Reasonable Accommodation Employer.
